

We offer

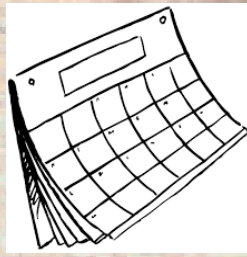

# Classes & Open Hours

Here's some information on both

## Classes

Reservations are necessary.

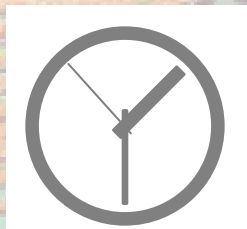

Classes are scheduled with a set start and end time.

Crafters go through the steps together led by an instructor.

**\*\*Best for beginners!**

The classes are structured to be 2-3 hrs.

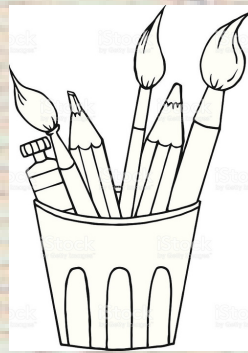

## Open Hours

Walk ins are welcome. Flexible start and end time.

Crafters work at their own pace with the instructor floating between groups. This time is less structured than a class.

*Materials & Instruction included for all!*

One type of project per class. For wood signs, each person chooses from over 100+ stencils designs.

Any wood signs (small, medium, large) specialty or custom projects.

Register online with project, design choice and payment.

Notify us ahead of time if you'll be making a custom or specialty project. Choose your project and pay at the studio.
